

**CITY OF GRANT, MINNESOTA  
RESOLUTION NO. 2020-21**

**RESOLUTION DENYING A REQUEST TO RE-GUIDE PROPERTY FROM  
AGRICULTURAL SMALL SCALE (A2) TO GENERAL BUSINESS (GB)**

**WHEREAS**, Adam Bettin (“Applicant”) on behalf of Stillwater West, LLC (“Owner”) has submitted an application for a Comprehensive Plan Amendment for property generally located at 11298 60<sup>th</sup> Street North (“Subject Property”) in the City of Grant, Minnesota which is legally described in Attachment A; and

**WHEREAS**, the proposed Comprehensive Plan Amendment included a map amendment to re-guide approximately 5.3 acres of land from A2 to GB; and

**WHEREAS**, the Planning Commission has considered the Applicant’s request at a duly noticed Public Hearing which took place on April 21, 2020; and

**WHEREAS**, on April 21, 2020 the Planning Commission recommended denial of the application with findings; and

**WHEREAS**, the City Council has considered the recommendation of the Planning Commission and the Applicant’s request at a regular City Council meeting which took place on May 5, 2020.

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRANT, WASHINGTON COUNTY, MINNESOTA**, that it does hereby deny the request of Adam Bettin and Stillwater West, LLC, based upon the following findings pursuant to the 2030 Comprehensive Plan and Chapter 32 Zoning. The City Council’s Findings relating to the standards are as follows:

- The City recently prepared its 2040 Comprehensive Plan and carefully considered, evaluated and prepared the Future Land Use plan which guided the property for A2.

- The adopted 2030 Plan and the draft 2040 Plan specifically limits the acreage of General Business land use designation to align with existing uses and development.
- The vision, goals and strategies contained in the Comprehensive Plan focus on supporting and expanding rural residential uses and does not promote the expansion of General Business uses.
- The parcels guided for General Business are uses and business that have existed, in most cases, since the 1970's and no further expansion has been contemplated since.
- The General Business land use designation reflects the current and historical use of the properties and is not a designation used to guide new land for future business uses.
- Before any expansion of the General Business should be considered, a more detailed study of the full Highway 36 corridor should be undertaken.

Adopted by the Grant City Council this 5th day of May 2020.
