**Checklist:**

Please review the attached checklist. Minnesota State Statute 15.99 provides the City of Grant 15 business days to determine the application’s completeness. Completeness depends on whether or not the applicable checklist items are fulfilled and submitted with your application.

**Review Deadline and Timeline:**

All applications must be received by the deadlines as posted on the City’s website. Failure to submit by the date shown may result in a delay in the scheduling of the application for public hearing. Meeting the deadline does not guarantee that an application will be heard at the next meeting. To improve likelihood of appearing on an agenda, it is recommended that applications be submitted earlier than deadline.

According to Minnesota State Statute 15.99 a Comprehensive Plan Amendment or Zoning Amendment has a Statutory review period of 60 days, with the City’s ability (which includes city staff and consultants) to extend the review period for an additional 60 days if necessary due to insufficient information, directive to provide additional information, the tabling or postponement of an application, lack of quorum, or schedules. Applicants shall be aware that Comprehensive Plan Amendments also require review by the Metropolitan Council which may impact time for a decision.

**Application for Planning Consideration Fee Statement:**

*(Please read carefully and understand your responsibilities associated with this land use application)*

The City of Grant has set forth a fee schedule by City Ordinance as posted on the City’s website. The City of Grant utilizes consulting firms to assist in the review of projects. The consultant and city rates are available upon request. By signing this form, the Applicant accepts sole responsibility for any and all fees associated with the land use application from the plan review stage; the construction monitoring stage; and all the way to the release of any financial guarantees for an approved project. In the event the Applicant fails to make payment of all fees associated with the project, the City of Grant will assess any unpaid or delinquent fees related to this application or project against the subject property. If a project is denied by the City Council or withdrawn by the Applicant, the fees associated for the project until such denial or withdrawal, remain the Applicant’s responsibility.

**Review and Recommendation by the Planning Commission.** The Planning Commission shall consider oral or written statements from the Applicant, the public, City staff and its Consultants and/or its own members. It may question the Applicant and may recommend approval, disapproval, or table by motion the application. The Commission may impose necessary conditions and safeguards in conjunction with their recommendation.

**Review and Decision by the City Council.** The City Council shall review the application after the Planning Commission has made its recommendation. The City Council is the only body with the authority to make a final determination and either approve or deny the application.

*\*\*Please note that if your request is granted, it does not represent any specific project approvals related to your property. Additional applications and processes may be required if your amendment is approved.*
